We do the work.

IMX Funds

IMX Funds is an ADGM-licensed venture capital manager backing Series A B2B technology platforms where workflow-integrated proprietary data compounds into defensibility. Portfolio companies relocate operations to the UAE, aligning with UAE Vision 2031 priorities — AI, FinTech, HealthTech, GreenTech, and Smart City development.

Investment Strategy

- Active operational involvement
- Data-centric repositioning
- Strategic partnerships
- Board representation
- Accretive M&A
- Exit engineering
